

INFORMATION AND MANAGEMENT SUPPORT STAFF
WEEKLY REPORT FOR PERIOD ENDING 23 DECEMBER 1986

1. Progress Report on Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

A. DAS

(1) FARS (Federal Automated Requisition System). Mr.

STAT
STAT
No [redacted] met with two persons from ISSD (Security), [redacted] (LOF security), and [redacted] (C/ISSB), concerning the classification of the FARS. Under the new system, it was decided that the system will be classified at the highest classification level of the data resident in the corporate data program data base. Current and future documentation will be given the classification of SECRET. The current system configuration will be reviewed by members from OS to ensure that proper measures are taken to keep the existing system secure.

STAT
STAT No (2) The contractors that will be working on the OL-wide barcode evaluation/survey have arrived. The contractors are from General Electric and they have started work [redacted] They have been badged and have access to the buildings that house OL personnel. The contractors will be introduced to each focal point according to a schedule being developed. [redacted] will be monitoring the progress of the contract and be accompanying the contractors for the first introductory meeting with each focal point.

STAT No more detail for staff notes. (3) A representative of the Audit Staff (AS) reviewed the Wang-based accountable property system now being developed by [redacted] The AS approved of what he saw, thus providing an AS endorsement of the package that will be made available to CRAFT users in the overseas environment.

B. Planning

No (1) IMSS completed a draft of an update to the Office of Logistics Emergency procedures. This draft is now being circulated among the OL divisions and staffs for their review/revisions.

No (2) IMSS sent a memo to the OL divisions and staffs requesting first quarter FY 87 updates to milestone charts for OL objectives, lists of significant first quarter activities, and suggested topics and speakers for the upcoming OL quarterly.
